## Boarding Policy Information:

Wagging Tail Ranch LLC strives to provide the best care for all our guests. The following policies are to ensure our guests receive the best possible care in a healthy and safe environment.

**ADMISSION:** All Pets must be in good general health. We reserve the right to deny admittance to any pets lacking proof of vaccinations, and/or pets displaying signs of untreated or potentially contagious conditions, and/or aggressive behavior. **Pets in heat will not be accepted.**

Prior to participating in any social activity, dogs must be spayed or neutered, temperament tested and approved. Approved dogs may have social privileges revoked if their behavior changes and they become aggressive or dominant.

**VACCINATIONS:** All dogs and cats must be current on all vaccinations and must provide proof of vaccinations prior to staying at Wagging Tail Ranch LLC. For dogs, **we require rabies and distemper 3 way and any other vaccinations that your vet recommends for your pet's safety. Cats must have current vaccinations for rabies and distemper.** All animals are encouraged to have a stool sample checked annually for parasites, and be treated for fleas and ticks.

**FOOD:** We encourage owners to bring your pet's regular food. We have several refrigerators for canned and raw food. All food should be package in secure containers [but please, no glass] with the pet's name on it.

**MEDICATIONS:** Please bring your pet's medication/vitamins in their original containers clearly marked with your pet's name, Vet's name if applicable and dosage clearly readable. Please put their medications in a pill planner with each dosage in a different compartment. If your pet gets meds 2 times a day, there needs to be a pill planner for 2 times a day, if 3 times a day, you will need a 3 times a day planner. Your pet's planner should be clearly marked with your pet's name. Planners are available at pharmacies.

**DAMAGES:** Any property damaged made by the pet during the pets stay may be billed to the pet's owner.

**EMERGENCIES:** In case of an emergency we will attempt to contact you first. In the event you cannot be contacted, we will contact your emergency contact and your pet will be treated according to their instructions at the nearest, available vet clinic.

**COMPLIMENTARY SERVICES:** We will administer medication either pills or injections free of charge as long as we can safely accomplish it.
